With reference to your letter No 1569/Edn 71-x-1 of the 15th August 1910 stating that the formation of College Councils as suggested by the University Commission seem/to be desirable for the internal management of the Colleges and requesting the favour of the Inspector General's opinion on the question, ascertaining at the same time and reporting to Government particulars regarding the constitution and working of such Councils believed to be in existence in the Presidency and Christian Colleges, Madras, I have the honour to inform you that the appointment of Councils for the Mysore Colleges seems necessary for the internal management of the Colleges and to submit for the approval of Government a set of rules framed on the subject, together with copies of opinions of the Principals of both the Central

and

and Maharaja's Colleges The rules have been framed on the lines of those of the Presidency College, Madras, a copy of which is herein enclosed as asked for in the above

In regard to the Christian College, the Senatus of the College would correspond to the Council of the Presidency College, but the College being under the management of a Private Body, the Senatus have powers which it is unnecessary and inexpedient to give to Councils of Government Colleges which have very few anglogies with Colleges under private management in financial matters and in regard to personnel A copy of the rules governing the constitution and powers of the Senatus of the Christian College is enclosed, however, for information

---

With reference to your letter no 5381-2/573 of the 19th November 1912, I have the honour to inform you that I have no suggestion nor alteration to make except, perhaps, with regard to Rule 3 where it is suggested that the Council shall be empowered to consider and report on matters of discipline It is questionable whether it is desirable that matters of discipline should be subjected to discussion by the Council It seems probable that such a course, would tend to weaken the authority of the Principal It would be better if this subject for discussion were either omitted or a definition given of such cases of Discipline as may be submitted to the Council

As regards the composition of the Council, I have the honour to inquire whether members of the Staff who teach in both Departments are to be included in the College Council, e g Mr B Subba Rao teaches 2 hours only in the High School and 15 hours in the College Mr M Subbayya teachers only 4 hours in the College and 13 hours in the High School The Munshis have their maximum work in the High School and moreover do not speak English
